*****Permission for Medical Treatment*****

I give permission to qualified medical personnel at International Montessori School of Albania to provide medical treatment to my child, but only in case I cannot be contacted to give permission personally, or I am otherwise unavailable. IMSA will provide care and treatment to reduce fever, unnecessary pain, complications, scarring, or delays in recovery, as well as to protect life or limb.

However, in the case of a serious accident or emergency, my child will be taken to the hospital. The school will immediately contact the parents, or if not available, another emergency contact. Thank you.
